

Dear Friends:

The Mentor Schools Foundation is committed to enriching the curriculum of the Mentor Schools by providing financial support to all students through teacher grants. One of our signature events each year is the Thanksgiving Day **Pancakes for a Purpose** at **Yours Truly Restaurant** in Mentor. This community event not only represents the educational support, camaraderie and commitment of our citizens, but also helps us to raise funds for students in all grades, across all schools in the district.

With your support, we've provided grants that encompass all areas of learning, from technology, to Art, Music Government, and of course, the core areas of learning: English, Math, Science and Reading. Recent examples are the Science Olympiad and Cardinal Autism Resource and Education School. Your dollars help us bridge the cost of enhancing curriculum not covered by levy funds.

We are asking you to please consider an individual or corporate tax-deductible 501(c)(3) sponsorship. We would also like you and friends and family to join us Thanksgiving morning for a tasty breakfast! With a donation of \$500 or more, Varsity Sponsors will receive a display board listing recognition at the event and all sponsors will receive recognition on the Mentor Schools website, Mentor Schools Foundation Social Media and other media where available. We've included an event flyer and ask your goodwill support by displaying it in a customer or employee-prominent location at your business.

YES! I/we want to support Pancakes for a Purpose and help the students at Mentor Public Schools with a gift of:

- \$ 500 **Varsity Sponsor** *(logo recognition on website)*
Please send high res logo to mentorschoolsfdn@gmail.com
- \$ 250 **Junior Varsity**
- Cardinal Supporter** Other amount \$ _____

Name as you would like to be recognized

My check is enclosed *(please make checks payable to Mentor Schools Foundation)*

I made my payment online using a credit card at www.mentorschoolsfoundation.org

THANK YOU FOR YOUR SUPPORT!
